**MODERN HOSPITAL FURNITURE**

Designs that bring  
**Convenience & Comfort**  
to Hospital Care

[www.sgifurniture.com](http://www.sgifurniture.com)

Sree Ganesh industries a unit of Gajanana group, are leading manufacturers of quality furniture. A trusted name in this field for 35 years, SGI furniture has been consistently appreciated by our clientele comprising, hospitals, health care institutions, educational institutions, residential and commercial complexes.

Our vision is to support the effectiveness of our customers by providing custom-made furniture that is ergonomically and aesthetically superior in quality and design.

At Sree Ganesh Industries we believe in working side by side with our clients to fulfill their needs in terms of furniture for specific purpose. We have experienced professionals in our workforce to check and test the design, finishing and accuracy in the manufacturing process.

We are leading manufacturers of hospital furniture and provide

- ICU bed(s)
- Bed side Locker(s)
- Examination table(s)
- Patient trolley(s)
- Wheel chair(s)
- Instrument Cabinet(s)

We are committed to extend full support and guidance from the conceptualisation to the realisation stage. The planning of our hospital furniture takes into account the interest of all the stake holders such as patients, doctors, the staff, administrators and visitors to create innovative and functional interior space.

With SGI furniture you are assured of flawless design, effective project execution and reliable backup service.
